

CERTIFICATE OF REGISTRATION

Information Security Management System
ISO/IEC 27001:2022

Keyloop (UK) Holdings Limited

A-LIGN Compliance and Security, Inc. certifies that the organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2022. The scope and boundaries of the ISMS is as follows:

All information and data assets required for the delivery of all Keyloop functions, services, and activities. The assets protected are physical locations, hardcopy data, electronic data, Keyloop records, policies and procedures, software and licences and physical IT (Information Technology) hardware. The boundaries of the Information Security Management System (ISMS) are the physical locations, authorised workers, remote workers, and the endpoints of the organisational network. Supporting technology within scope includes server platforms, network devices, and organisation networks within the control of Keyloop Limited.

The statement of applicability includes control objectives from the ISO/IEC 27001:2022 framework.
